Thank you for taking your time to learn about XtraNormal! Please take a few minutes to tell me what I can do to improve upon this lesson and to inform me of other forms of technology you may be interested in learning about.

1. What would you say is your level of comfort when using technology in the classroom?

Scared out of my mind I use it occasionally I can't imagine teaching without it

2. Was this presentation helpful for you? (Were the directions easy to follow?)
3. Do you see yourself using this type of product in your classroom? If so, how? If no, why not?
4. What could be done to improve upon the presentation?
5. Did the video tutorials help to explain the demonstration?
6. What other types of technology and Web 2.0 tools would you be interested in learning about?
7. Any other information you would like to share?

Again, thank you for taking the time to share your thoughts!
